Dear Neighbor,

The Bridgeton Landfill would like to offer you temporary alternative housing at an extended-stay hotel during the next phase of landfill improvements. This is a voluntary program and is being offered to residents of the Spanish Village, the Terrisan Reste Mobile Home Community, and certain residents of the Carrollton Village Condominiums. Here's how the Lodging Program works:

- Beginning on Sunday, May 19, 2013, the Company will pay for nightly hotel lodging fees and taxes at an extended stay hotel selected by the Company. The Company will pay those fees on your behalf directly to the hotel for the duration of the Company's upcoming RCP Abandonment Project. The Project is expected to last from May 20 to June 14, 2013, but those dates are subject to change and the Project may conclude earlier or later than expected.
- If you would prefer to stay with a friend or relative instead, the Company will offer you an inconvenience payment of \$125 per week for the time that you stay with that friend or relative.
- Many of the hotels in the Program allow for pets, and any hotel pet fees are covered under the Program.
- Living expenses, including any expenses for food, transportation, or entertainment, are not part of the Program. You will be responsible for all such expenses. All of the hotels in the Program have kitchenettes.
- The Lodging Program will be administered by Development Resource Partners, LLC (DRP), a St. Louis business with expertise in short-term relocation. **To sign up for the Program, complete the attached one-page Lodging Program Agreement and return it to DRP (instructions attached). Questions? Call DRP at 314-395-9905 (Jennifer Kaniecki at Ext 3 or Kurt Schulte at Ext 6).**
- The Company will give you at least three (3) days of notice before ending the Program.

Once the RCP Abandonment Project is complete, you should notice a reduction in the landfill odor.

Throughout the Project, you are encouraged to call Bridgeton's toll-free hotline, 1-855-807-2387 or visit our website, www.BridgetonLandfill.com, to stay apprised of the latest developments. All questions about the Lodging Program should be directed to DRP at 314-395-9905.

Sincerely,

Tim Trost
